

We know your life is busy. Career, kids, appointments, schedules, family obligations and if you have time left over...your marriage.

Spending time together as a couple is one of the most significant yet challenging things you can do for a healthy, satisfying marriage.

Consider investing in a weekend away at our annual marriage retreat to regroup, reconnect and regain the joy of sharing life with your special someone.

We invite you to attend our 2009 marriage retreat where we will focus on God's support and encouragement for marriages.

Our VCNP speakers will share what God has put on their hearts to help all of our marriages grow stronger and God honoring as we learn and grow together.
