

The  
VINEYARD CHURCH  
NORTH PHOENIX  
Guide to

# Small Groups

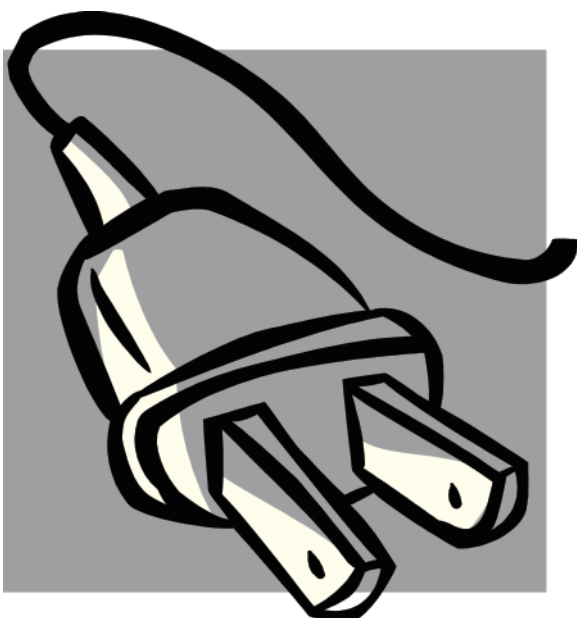

revised September 2008

## **Small Groups Are a Big Deal**

At the Vineyard, we have found that friendships, personal growth and pastoral care are best developed in the community of small groups. We have a large variety of groups to choose from. Some groups emphasize a Bible discussion, others are centered around an activity or common interest, while others focus on such topics as marriage, the family, and women's or men's issues. Whatever the topic or interest of the group, you can be assured it is led by a trained, qualified leader, and the opportunity to pray with each other will be available.

These groups meet at a variety of times throughout the Phoenix area, insuring that there is a group that will fit almost everyone's interest and schedule. Our groups are designed to welcome new guests and would love to have you visit them.

**We recommend that you call the group leader prior to your visit to make sure that the group is meeting that week.**

## **How to Get Plugged In to a Small Group**

- Look through this catalog and decide what group would work best for you. Some things you might want to consider are: personal interest, day and time of the meeting, length of the commitment, and location of the group (see Small Group Location Map Brochure for assistance with group locations).
- Attend the group regularly and get ready to make new friends and experience why we are so big on small groups.
- If the first group you visit is not what you were looking for, feel free to try a different group.

(If you are looking to join a group after its initial start date, that's fine. Our groups are open to guests throughout the semester.)

# Community Groups...

Are a great place to grow deeper in your walk with the Lord and with other people. These groups are highly relational and looking to establish genuine community among the members. Each group is led by a trained, qualified leader who is committed to offer "frontline" pastoral care to the group participants. All our Community Groups will regularly participate in at least one of the following activities: prayer for group members, a ministry task, a Bible discussion or worship.

# **Are you interested in becoming a Small Group Leader?**

## **Check out the Small Group Leader Brochure**

This brochure will help answer many questions you might have about who may be a small group leader and what the prerequisites are to lead a group. The brochure may be picked up in the foyer hallway.

## **2008 Small Group Leader Training Class Schedule**

**October 5 - 19 at 10:00 am  
in Adult Ed. Room A.**

Register for the class on the information card in your bulletin.

## **Small Group Leader Intern Program**

The Intern Program is designed to help individuals who might be interested in leading a small group gain the skills and become better equipped for small group leadership. Brochures are available in the foyer hallway.
