our priorities

- Worship is an expression of our hearts toward God, and through worship we experience His touch in our lives.
- The Bible is God's Word and it is relevant to all matters pertaining to life.
- We want to “know” the Bible, but also “do” the Bible by training, equipping, teaching and discipling our church family.
- Relationships with other Christians are vital to our relationship with God.
- Reaching out to those in need through various means.
- Strengthening existing churches and sending teams to plant new churches all over the world.
