

Dianne Leman

For over 30 years Dianne has partnered with her husband Happy in leading the Vineyard Church of Champaign-Urbana, IL. After receiving her Master's degree in Education from the University of Illinois,

Dianne's goal was to be a university professor. However, a radical encounter with the Holy Spirit turned her life upside down and she instead has raised five children while preaching, leading and teaching as part of the Vineyard pastoral team. Dianne's passions include Jesus (of course!), reading lots of books, walking with Hap, eating chocolate, drinking Starbucks, watching a good romantic comedy...and being an indulgent grandma to three granddaughters and three grandsons! Now an official 'empty nester,' she is looking to pour God's love and wisdom into young leaders. She truly believes Jesus has given her an abundant life—to be freely shared with others.

God's Abundance

...in a Broken World

God's abundant life is for you. Have you seen phrases similar to this? You may have thought something like, "That may be true, but I don't quite see that happening in my life." We can be robbed of the abundance God has for us in so many ways. Join us as we explore God's abundance and breaking free from a world of brokenness.
