

**Eleanor Mumford** studied history and art history at St Andrew's and Edinburgh Universities before training at Cambridge as a teacher. After five years of teaching, she married John in 1978 and they have 2 adult sons. She helped to start the SW London Vineyard in 1987 which was the first Vineyard church in the United Kingdom. In September 2008 they handed over the leadership of the church in order to concentrate more upon the Vineyard movement, both nationally and internationally. Eleanor enjoys teaching and training within the local church and the wider Vineyard movement. ☼
